- Product and market knowledge
- Analytical thinking and problem-solving skills
- Time management and prioritization skills under pressure
- Communication and active listening skills
- Ability to work effectively with diverse teams of colleagues
- Flexibility & adaptability in a constantly evolving work environment

CrediaBank was created through the merger of Attica Bank and the former Pancreta Bank, and is the 5th largest bank in Greece in terms of assets. It is a modern banking institution with a network of 65 branches and 5 business centers across the country, serving approximately 300,000 individuals and businesses with a wide portfolio of deposit, investment, and insurance products, mutual funds, loans, and brokerage services. Customer service is a top priority for CrediaBank, which is why it is the only bank that welcomes customers both with and without appointments, offers cashier services available throughout the day, and operates with extended hours through the CrediaConnect service. CrediaBank operates as a credit institution supervised by the Bank of Greece, strictly applying both European and national regulatory frameworks governing the operation of banks. More information about the Bank is available on our website www.crediabank.com
