**CrediaBank is exploring options to strengthen its presence in the capital markets**

In the context of the ongoing strategic initiatives it is pursuing, and considering its commitment to optimize free float requirements in accordance with ATHEX regulations, CrediaBank is reviewing available options to strengthen its presence in the capital markets, which may involve an offer of newly issued shares. No decision has been taken, including as to the form and timing of any potential equity capital markets transaction.

***Forward-looking statements***

Statements contained herein may constitute forward-looking statements which are based on current expectations and projections about future events. In some cases, these forward-looking statements may be identified by the use of forward-looking terminology, including the terms "targets", "believes", "estimates", "anticipates", "expects", "intends", "may", "will" or "should" or, in each case, their negative or other variations or comparable terminology. They appear in a number of places throughout this document and include statements regarding the intentions, beliefs or current expectations of CrediaBank and/or its directors concerning, among other things, the trading performance, results of operations, financial condition, capital position, liquidity and prospects of CrediaBank.

You should not place undue reliance on forward-looking statements. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Forward-looking statements are not guarantees of future performance. A number of important factors could cause actual results or outcomes to differ materially from those expressed, projected or implied in any forward-looking statements. CrediaBank does not undertake to update or revise any forward-looking statement that may be made herein, whether as a result of new information, future events or otherwise.
