

IT Business Planning Executive

CrediaBank is looking for an **IT Business Planning Executive** to join our dynamic team.

Job details

Job type: Full-time

Location: Athens, Greece

Apply via LinkedIn or email: recruitment@crediabank.com

About the Role

The role acts as a strategic partner to the Chief Information and Digital Officer of the Bank (CIDO), supporting the coordination, execution and effective governance of IT and Digital Banking initiatives and ensuring their alignment with the Bank's business objectives. By combining technological expertise with business acumen and experience in complex banking environments, the role ensures that technology projects deliver business value and comply with banking regulations.

Key Responsibilities

- Aligns all the projects implemented by the IT & Digital Banking Division with the already established strategy
- Ensures that the Division's strategy is consistent with the relative total investment budget (CAPEX) and operating costs (OPEX)
- Serves as the central coordinator for cross-functional matters and obligations related to operational risk, internal audit and compliance as well as external audit and supervisory authorities
- Provides coordination regarding the accurate and timely preparation and delivery of content, for internal committees
- Manages communication and fosters collaboration between the IT & Digital Banking Division and other business units of the Bank
- Collaborates closely with the Human Resources Division as the primary representative for IT & Digital Banking regarding staffing, organizational structure, talent development and capacity building
- Coordinates the Division's presence across external communication channels in close cooperation with the Marketing unit
- Monitors and audits internal workflows within the Division's units to simplify processes and promote collaboration.

Qualifications

- University degree in Computer Science, Business Administration or Economics
- Excellent command of the English language, both written and verbal
- PC literacy specifically in MS Office applications
- Proven experience in project management and budget oversight
- At least **5 years** of professional experience related to the position's requirements
- Exceptional communication and stakeholder management skills
- Critical thinking and effective management of time and priorities with strong attention to detail
- Ability to synthesize information and data
- Strong leadership and interpersonal skills
- Flexibility, adaptability and change management skills
- Initiative and high sense of responsibility

- Strong team spirit and collaborative approach.

About CrediaBank

CrediaBank was created through the merger of Attica Bank and the former Pancretia Bank, and is the 5th largest bank in Greece in terms of assets. It is a modern banking institution with a network of 66 branches and 5 business centers across the country, serving approximately 300,000 individuals and businesses with a wide portfolio of deposit, investment, and insurance products, mutual funds, loans, and brokerage services. Customer service is a top priority for CrediaBank, which is why it is the only bank that welcomes customers both with and without appointments, offers cashier services available throughout the day, and operates with extended hours through the CrediaConnect service. CrediaBank operates as a credit institution supervised by the Bank of Greece, strictly applying both European and national regulatory frameworks governing the operation of banks. More information about the Bank is available on our website www.crediabank.com
